

THERMOcline

negative
ONE

It's the authentic THERMOcline experience. This debut full-length release from the Ottawa, Canada based band packs a powerful punch, showcasing all-original material developed throughout the past year. The growth and maturity attained through THERMOcline's collective

writing and live performances shines through on the new, 12-track CD. With THERMOcline's use of intense guitar tracks, strong vocal melodies and driving acoustic and electronic drums, "Negative ONE" is sure to grip audiences everywhere.
